LOKESH KUMAR S

iOS Developer | SwiftUI & UIKit | Mobile Application Engineering

lokeshkumar142005@gmail.com | 8825489412 | linkedin.com/in/lokesh-kumar-s-16984a268/ | github.com/lokeshkumar143

PROFESSIONAL SUMMARY

High-performing iOS Developer who was promoted from Intern to Full-Time Developer in just two months — a testament to fast learning and dependable delivery. Owns the full mobile application lifecycle end-to-end: designing sleek SwiftUI/UIKit interfaces, integrating RESTful APIs, and shipping polished apps live to the App Store. Currently doubles as a Technical Trainer, mentoring the next generation of iOS developers while driving quality across four testing disciplines (Selenium, Appium, load, and security testing). Combines strong engineering instincts with a builder's mindset — someone who ships fast, ships clean, and takes real ownership of outcomes.

PROFESSIONAL EXPERIENCE

iOS Developer **Nov 2025 – Present**

SIMATS Engineering Institution

- Serve as iOS Developer and Technical Trainer, blending hands-on development with mentorship for aspiring iOS engineers.
- Mentor students in Swift, SwiftUI, iOS architecture, debugging, and interview readiness, helping them build job-ready skills.
- Review student projects and deliver actionable technical, UI/UX, and code-quality feedback.
- Guide students through testing, project review, and App Store deployment to meet professional release standards.
- Collaborate cross-functionally with the testing team to validate student projects across iOS, Android, and Web platforms.
- Execute Selenium testing for web applications, validating functionality, workflows, and user interactions.
- Execute Appium testing for Android and iOS applications to ensure reliable mobile functionality.
- Conduct backend vulnerability testing to proactively identify security risks and strengthen application security.
- Run load testing to benchmark server stability, response time, and performance under real-world traffic conditions.
- Delivered structured testing coverage across four disciplines: Selenium, Appium, vulnerability, and load testing.
- Partner with development and QA teams to resolve defects and drive projects to successful deployment.

TECHNICAL SKILLS

Programming Languages: Swift

Mobile Development: SwiftUI, UIKit, Xcode, Core Location, MapKit

Backend & Integration: Firebase (Realtime Database, Auth, Push Notifications), REST APIs, PHP, MySQL, AI Chatbot integration

Testing & QA: Selenium (Web), Appium (Mobile), Backend Vulnerability Testing, Load Testing, Postman

Tools & Practices: Git, Agile Development, Code Review, UI/UX Best Practices

PROJECTS

Personal Fitness Trainer for Patient Recovery (iOS)

- Developed a healthcare iOS application using Swift, SwiftUI, and Xcode for patient recovery and fitness management.
- Implemented features such as appointment booking, doctor-patient consultation, REST API integration, and an AI chatbot to improve the user experience.
- Designed an easy-to-use interface and integrated the app with a PHP/MySQL backend for secure data management and real-time updates.

Smart Ulcer Predictor (iOS)

- Developed an AI-powered medical support tool that utilizes advanced deep learning models to analyze skin ulcer images and provide instant predictions (Healing, Not Healing, or Normal Skin).
- Enabled a seamless image processing workflow where users upload images for automatic processing using state-of-the-art image recognition techniques to deliver insights for early monitoring.
- Incorporated clear medical disclaimers emphasizing that AI-generated predictions provide preliminary information and require review by qualified healthcare providers.

EDUCATION

SIMATS Engineering, Sriperumbudur — **Aug 2022 – Nov 2026**
Bachelor of Engineering in Computer Science and Engineering
CGPA: 7.9

Seventh Day Adventist Matric Hr. Sec. School, Vellore — **Jul 2020 – Jun 2021**
HSC (12th Standard)
Percentage: 68%

Seventh Day Adventist Matric Hr. Sec. School, Vellore — **Jul 2018 – Jun 2019**
SSLC (10th Standard)
Percentage: 65%

ADDITIONAL INFORMATION

Languages: Tamil, English

Certifications: Oracle AI Database SQL Certified Associate

Internship: iOS Development Intern, SIMATS Engineering Institution
